# 1<sup>st</sup> Annual Fairborn Track & Field Mulch Sale

**SUNDAY, APRIL 18<sup>th</sup>, 2010**

This fundraiser will support both Baker Middle School and Fairborn High School men's & women's track teams to purchase better and safer equipment, uniforms, hurdles, high jump mats, pole vault pits, and other equipment. These improvements will also allow the track team to make the meets safer and more attractive to other track teams. **Our goal is for every athlete to sell 50 bags.**

I have ordered the following from the Fairborn Track & Field team:

**Thanks for your support! Go Skyhawks!**

\_\_\_\_\_ Bags of Black Hardwood Mulch @ \$5 per bag = \$ \_\_\_\_\_

\_\_\_\_\_ Bags of Cypress Mulch @ \$5 per bag = \$ \_\_\_\_\_

**Delivery:** \$10 for in Fairborn, \$25 outside = \$ \_\_\_\_\_

**Total = \$ \_\_\_\_\_**

Orders will be delivered or ready for pick-up on **SUNDAY, APRIL 18<sup>th</sup> from 1-5pm at Fairborn High School (900 E. Dayton Yellow Springs, Fairborn 45324)**. Please indicate on your order any special delivery instructions such as where you would like the mulch to be placed when delivered.

**Cypress Mulch** – light colored reddish long-lasting mulch that breaks down slower than many other types of mulches. If long-lasting mulch is desired, then cypress is the mulch to use.

**Black Hardwood** – dark and rich in color with a natural appearance that acts as a natural soil conditioner, this double processed mulch provides a more striking accent to most plants than lighter colored mulches.

### How Much Mulch Do I Need?

Each 3.0 cubic foot bag covers 18 square feet at 2 inches deep. Divide the square feet of the area you want covered by 18 to get the number of bags needed. Add more for thicker mulch.

Remaining mulch will be sold after 5pm on April 18<sup>th</sup>. Pick-up only.
